Summer Vacation Activities 2021-'22

GRADE II

Dear Parents,

Our brave children have completed yet another milestone in the field of education by changing the platform of learning to online e-learning even in these unprecedented times.

A big round of applause to all our ☆🌟Super Stars☆🌟of NHS as they braved all the odds & have overcome this phase in life at a very young age.

As Summer break is round the corner, the school has planned some exciting fun activities to enhance the 21st Century learning skills.

Kindly guide & encourage your child to do these fun activities during the summer holidays.

Note: Submit the given homework in a folder by labelling it with your child's name, class & section and Admission number. Students must decorate the folders using their creativity & innovation.

General Instructions:

The homework for all the subjects must be compiled in one folder only. Use separators for each subject with a plain/colourful sheet mentioning the name of the subject. The folder can be submitted at school. Pictures to be uploaded in the Google Classroom File for each subject separately.

The hardest walk is walking 🧑 alone, but it's also the walk 🧑 that makes you the strongest 💪. Happiness is being independent 🎀🏆

Good luck 🍀🍀

Stay Safe
